

Prayer in the loss of a child

Prayer in the loss of a child

Dear Lord, I grieve for the child I have lost. You make nothing in vain and you love all that you have created. Comfort me in the pain of my loss and sorrow. Give me the strength and vision I need at this time. May my capacity for love continue to grow and may I nurture new life in the days to come.

St Gerard, friend of the family, patron of motherhood, pray for me at this difficult time, that my pain may be transfigured by the certain knowledge that my child and I will be reunited in eternity.

St Gerard, pray for me.
