Ministries in St. Joseph's

Ministers of the Word have an important role in the liturgy by proclaiming the Word of God. This is an indispensable part of our celebrations. The readers prepare for their ministry by becoming familiar with the text in the days leading up to the celebration. A few times a year the ministers of the Word come together for reflection on their ministry.

Celebration for the Sick: at a special Mass at 11.00am next Saturday 12th of May in St. Joseph's, we will celebrate the sacrament of the sick. If you can facilitate any sick or elderly person to take part in this celebration, please do so.

We welcome into the community of faith the recently baptised:

Pope Francis in his exhortation about marriage and the family says: *Both short term and long term marriage preparation should ensure that the couple do not view the wedding ceremony as the end of the road, but instead embark upon marriage as a lifelong calling based on a firm and realistic decision by two people who love one another to face all trials and difficult moments together. (paragraph 211)*

Bereavement Counselling is available at the Magnet. For details contact 042-933 6393.

A Culture of Life: *'The Eighth Amendment has preserved and fostered a culture of life in Ireland that we can be proud of. The resources of modern medicine have been used very successfully to care for the lives of women and unborn children. We know that thousands of unborn children's lives have been saved in Ireland because of the Eighth Amendment over the past 30 years.'* (Bishop O'Reilly, Kilmore)
