The Queenship of Mary is celebrated on the 22nd of August. Pope Pius XII prescribed this memorial for the universal church in 1955. It is a follow up to the feast of the Assumption and is celebrated on the octave day of that feast. Other feasts of Mary are on the horizon: 8th of September-The Nativity of Mary; 12th of September-The Holy Name of Mary and on the 15th of September-Our Lady of Sorrows. Thus, in the period the 15th of August to the 15th of September there are five Marian feasts. Make that six as Our Lady of Knock is celebrated on the 17th of August. This is an appropriate time to reflect on our devotion to Mary and its significance in our religious expression.

We offer our condolences and sympathy to the family and friends of the recently deceased:

Gretta Connolly

May she rest in peace.

Martha Ministers

Marie Agnew, 23rd Aug.

See you all there!

The New School Year will begin shortly. A stressful time perhaps for some but it is also an opportunity. We wish all concerned every success, especially those who are beginning school, those moving from primary to secondary level and those who will have important examinations at the end of the year. May it be a time of blessing for pupils, parents, teachers and staff.

Will recommence on the first Sunday of September at 12.30pm Mass.

The feast of St. Pius X is celebrated on the 21st of August. He was born in 1835 and was Pope from 1903 to 1914. He is remembered by many as the Pope who encouraged frequent reception of Holy Communion. He also encouraged Italian Catholics to become more politically involved. One of his first papal acts was to end the supposed rights of governments to interfere by veto in papal elections. In 1905 when France renounced its agreement with the Holy See and threatened confiscation of church property if governmental control of church affairs were not granted, he courageously rejected the demand.

He was canonized in 1954.

Pope Francis in his letter on Family Life states: *The lack of dignified or affordable housing often leads to the postponement of formal relationships. It should be kept in mind that 'the family has the right to decent housing, fitting for family life and commensurate to the number of members, in a physical environment that provides the basic services for the life of the family and the community'. Families and homes go together. This makes us see how important it is to insist on the rights of the family and not only those of individuals.* (paragraph 44).
