Pope Francis in his exhortation about marriage and the family says:
Throughout the text (1Cor 13, 4-7) Paul wants to stress that love is more than a mere feeling. Rather, it should be understood in the sense - 'to do good'. As Saint Ignatius of Loyola said, 'love is shown more by deeds than by words'. It shows its fruitfulness and allows us to experience the happiness of giving, the nobility and grandeur of spending ourselves unstintingly, without asking to be repaid, purely for the pleasure of giving and serving. (Paragraph 94)
