Mary's Meals

Mary's Meals is a simple solution to world hunger. In our 20th year, we provide a daily meal to over 2 million children every school day in some of the world's poorest countries. The daily meal we serve enables children to come to the classroom rather than having to work, beg or scavenge for their food. It costs just €18.30 to feed a child in a place of education for an entire school year. This is only possible because of our army of volunteers; both the local people and those here in Ireland, who do so much to raise awareness and the essential funds needed to feed the next child waiting. To get involved or for more information, please check out www.marysmeals.ie or contact Angela Moore at 089-4339592 or angela.moore@marysmeals.org.
