Sunday 16th November 2025. 33rd Sunday in Ordinary Time.

Pope Leo, in his letter *Dilexi Te* (I have loved you) writes: *Love for the Lord is one with love for the poor. The same Jesus who tells us, 'The poor you will always have with you' (Mt 26.11), also promises the disciples: 'I am with you always' (Mt. 28.20). We likewise think of his saying 'Just as you did it to one of the least of these brothers and sisters of mine, you did it to me.' (Mt 25.10). Contact with those who are lowly and powerless is a fundamental way of encountering the Lord of history. In the poor, he continues to speak to us. (paragraph 5).* This Sunday is the World Day of the Poor.

The feast of the Presentation of the Blessed Virgin Mary is celebrated on the 21st of November (Friday).

The annual Mass of Remembrance in St. Joseph's will take place on Monday, the 24th of November, at 7.30pm. We will recall those who have died since last November, those whose funeral service took place here and others who were part of our faith community.

The traditional Christmas Carol Service in St. Joseph's will take place this year on Sunday the 14th of December at 7pm. All are welcome.

The Children's Christmas Party will take place in St. Gerard's Hall on Sunday the 7th of December.

Collection and Envelopes: last week's collection was €2,861.11. The contribution from the parish envelopes was €868.60. Thank you as always for your generosity.

The November List of the Dead: we recall and pray for our deceased brothers and sisters in a special way in the month of November. Envelopes for your list are available at St. Joseph's shrine.

Mission in Cameroon: to support this mission come to the Lisdoo on Thursday, 20th of November, at 8pm for social dancing. Music by Michael Collins.

Climate Change: the weather is frequently a topic of conversation but more recently there are references also to a change in weather patterns. Climate change is a reality – the reports of severe storms, floods and droughts have become more frequent. This issue is being discussed at COP 30 in Brazil this week. Lots of good suggestions and recommendations will surface there. One hopes that appropriate actions will follow, with a view to protecting 'our common home' (a phrase of the late Pope Francis).
